Such litigation shall be defended by such Unit Owner.

ARTICLE VI – COMMON EXPENSES, COMMON PROFITS AND COLLECTIONS

1. Determination of Common Expenses and Common Profits.

The Council shall periodically (and in no event less than annually) determine by resolution duly adopted the estimated Common Expenses and Common Profits, if any, for the ensuing period, which determination shall be set forth in an appropriate budget. Each budget so adopted shall set forth the period covered thereby, specifically mentioning the commencement date and termination date thereof, and the total monthly assessment to be made against all Unit Owners as a group, in order to meet all budgeted financial requirements. Upon such occasions, the Council shall also report the Common Expenses incurred and the Common Profits, if any, received during the period then ended. Such determinations of Common Expenses and budgets shall include, without limitation, such amounts as the Council deems proper for working capital, general operating reserves and reserves for the future replacement of Common Elements, in an amount adequate for the purpose, casualty losses in excess of insurance coverage, litigation, uncollectible assessments, contingencies and the like. Such determinations shall be called "regular budget determinations".

The Council may also, by resolution duly adopted make interim determinations between such regular budget determinations, to the extent it may deem same necessary from time to time. Each such interim determinations shall specify:

- (a) whether any item included in a previous regular budget determination is affected thereby, and if so, to what extent. Such shall be called "revised budget determination", and/or
- (b) whether a non-budget item has been considered in such determination, and if so, the nature and amount thereof. Such shall be called "non-budget determinations".

For each revised budget determination, the Council shall, concurrently with each such determination, specify the extent to and amount by which the previously determined budget, and the total monthly assessments are affected thereby. The Council shall by resolution duly adopted accept such revised budget determination and establish the change, if any, in the monthly assessment previously declared pursuant to the regular budget determination.

For each non-budget determination, the Council by resolution, duly adopted, shall determine if a special assessment shall be declared, and if so the total amount, the time and mode of payment thereof.

2. Assessments of Common Expenses and Distribution of Common Profits to Unit Owners.

The Council shall, promptly following each determination of the Common Expenses, by resolution duly adopted, assess against each Unit the share chargeable to that Unit, on the basis of its Proportionate Interest of the Common Expenses theretofore incurred or the estimated future Common Expenses so determined. Each such assessment which may provide for the establishment of a reserve for future replacement of Common Elements, or for the addition to a previously established reserve, shall specify a separate monthly assessment for such purposes. The fund or funds so established for such purposes shall be maintained separately from all other funds and shall be used only for the purpose for which each such fund was established. Notice of such assessments shall be in writing and shall be promptly given to each Unit Owner in the same manner as is provided in the case of notices pursuant to Section I of Article XII hereof. Such assessments shall constitute the personal liability of the owner of the Unit so assessed. The Unit Owner shall be severally and not jointly liable for the payment of such assessments, but with respect to the portion thereof allocable to a given Unit, the Unit Owners and any lessees or sub-lessees thereof shall be jointly and severally liable thereof.

- (a) All assessments made pursuant to a regular budget determination shall be payable by the Unit Owners in equal monthly payments, the first payment to be due on the first day of the month of the budget period covered by such assessment, and the subsequent payments to be due on the first day or each month thereafter. The notice to Unit Owners of budgeted assessments shall set forth the number of monthly payments required to meet such assessment, the due date of each monthly payment and the amount thereof.
- (b) All assessments made pursuant to a revised budget determination shall be due and payable in the same fashion, and the notice thereof to Unit Owners shall specify what change is made in the monthly payments, the effective date of such change and the total period covered by such change.
- (c) All assessments made pursuant to a non-budget determination shall, unless otherwise specified in the notice thereof to Unit Owners, be payable by the Unit Owners within thirty (30) days from the date on which each such resolution is adopted. Council may permit the payment of any one or more such assessments as determined by Council to be paid in installments over a fixed period of time with fixed installment payment dates. In such case, the resolution determining any such assessment shall specifically state that installment payments be permitted and shall fix the amount of each installment and the respective due dates thereof.
- (d) Should any assessment resolution not otherwise specifically provide, then, without exception, all assessments against any Unit of whatever nature, and whether payable in lump sum or installments, shall until fully paid, together with interest thereon from and after each respective due date at the highest rate of interest then permitted, constitute a charge against such Unit, or if no due date is provided in the assessment resolution then from the thirtieth day following the adoption of such resolution. The Unit Owner's liability for any assessments under this Article VI shall not be abated due to any interruption in his right of occupancy of his Unit or for any other reason whatsoever, except as otherwise specifically set forth in this Article VI. No Unit Owner may exempt himself or his Unit from liability with respect to the Common Expenses by waiver of the enjoyment of the right to use any of the Common Elements, by abandonment of his Unit, or otherwise. The Council may, with respect to the Common Profits, after payment of all taxes due or accrued thereon;
 - (1) distribute them to Unit Owners, in accordance with their respective Proportionate Interests;
 - (2) apply them in reduction of Common Expenses theretofore incurred, or
 - (3) budget and apply them in reduction or estimated future Common Expenses.

Determinations of estimated Common Profits to be received in the ensuing period following the period of the budget under consideration shall be taken into account in such budget.

- (e) Any advance deposit held by the Council for the account of any Unit or any Unit Owner, as advances for Common Expense Assessments shall, upon conveyance of said Unit to a new Unit Owner, be automatically deemed, for all purposes, to be assigned to the new Unit Owner and shall thereupon be held by the Council for the account of the new Unit Owner. This assignment may not be defeated or changed, notwithstanding any demand or instruction to the contrary by either the old Unit Owner or the new Unit Owner individually, or by both of them jointly.

3. Collection of Delinquent Assessments.

It shall be the obligation of the Council to take prompt measures to collect assessments for Common Expenses and for any expenses incurred on advances made by the Council under Sections 4 and 5 of Article

XII hereof, together with accrued interest, which remains unpaid after thirty (30) days from the date of the adoption of the resolution pursuant to which they were made or from the installment dates established therefor, or from the date incurred or advanced, as the case may be. Any such delinquent assessment together with such accrued interest may be enforced by suit by the Council acting on behalf of the Unit Owners, including without limitation, the delinquent Unit Owner, in an action as provided in the Act. Such action, when filed, shall refer to the Act. Any judgment against a Unit Owner shall be enforceable in the same manner as is otherwise provided by law. The delinquent Unit Owner shall be obligated to pay:

- (a) All expenses of the Council, including reasonable attorney's fees, incurred in the collection of the delinquent assessment by legal proceedings or otherwise; and
- (b) any amounts paid by the Council for taxes or on account of superior liens or otherwise including all interest and penalties thereon, if any, to protect its lien. Said expenses and amounts, together with accrued interest at the rate specified, shall be deemed to constitute part of the delinquent assessment and shall be collectible as such.
- (c) If any assessment or monthly condominium fee shall remain unpaid for more than five days after due, the Unit Owner shall pay a late charge of not less than \$25.00 and not less than 1% per month service charge on all delinquencies more than 30 days overdue, which amounts may be increased from time to time by Council.

4. Delinquent Assessments at the Time of Conveyance of a Unit Other Than at Execution Sale.

Upon the voluntary sale or conveyance of a Unit or any other transfer of a Unit by gift, operation of law or otherwise, except a transfer to the Council as contemplated by Section 1 of Article X hereof, the grantee or transferee shall be jointly and severally liable with the grantor or transferor for all unpaid assessments for Common Expenses which under the Act and this Code are a charge against said Unit, and for unpaid assessments pursuant to Sections 4 and 5 of Article XII hereof as of the date of the sale, conveyance or transfer. Such joint and several liability shall be without prejudice to the grantee's or transferee's right to recover from the grantor or transferor the amount of such unpaid assessment which the grantee or transferee may be required to pay. Until any such assessments are paid, they shall continue to be a charge against the Unit and may be enforced in the manner set forth in the Act and in this Code. Any person who shall have entered into a written agreement to purchase a Unit shall be entitled to obtain a written statement from the Treasurer setting forth the amount of unpaid assessments charged against said Unit and its Unit Owners, and if such statement does not reveal the full amount of the unpaid assessments as of the date when it is rendered, neither the purchaser nor said Unit after any such transfer or conveyance shall be liable for the payment of an amount in excess of the unpaid assessments shown thereon, provided, however, that the former Unit Owner-grantor shall remain so liable. Any such excess which cannot be promptly collected from the former Unit Owner-grantor shall be reassessed by the Council as a Common Expense to be collected from all Unit Owners, including without limitation, the purchaser of said Unit, his successors and assigns. The new Unit Owner shall be liable, and the former Unit Owner shall not be liable for any assessments made after the date of transfer of title to a Unit, even though the common Expenses or the expenses incurred or the advances made by the Council under Sections 4 and 5 of article XI hereof for which such assessments are made relate in whole or in part to any period prior to the date of transfer of title.

5. Delinquent Assessments at the Time of Execution Sale & Purchase of Units at Execution Sale of a Unit.

In the event that title to a Unit is transferred at judicial sale pursuant to execution upon any lien against such Unit, the Council shall give notice in writing to the official conducting the sale or any unpaid assessments for Common Expenses which are a charge against such Unit, and for any expenses of or advances by the Council made pursuant to Sections 4 and 5 of Article XII hereof, which have not therefore been reduced to lien

pursuant to Section 3 of this Article VI and to the Act. Said expenses and advances shall be paid out of proceeds of the sale as provided by the Act prior to the distribution of any balance to the former Unit Owner against whom the execution issued. The purchaser at such judicial sale and the Unit Involved shall not be liable for unpaid assessments for Common Expenses and for any expense XII hereof which became due prior to the judicial sale of the Unit. Any such unpaid assessments which cannot be promptly collected from the former Unit Owner shall be reassessed by the Council as a Common Expense to be collected from all of the Unit Owners, including the purchaser who acquired title at the judicial sale and his successors and assigns. To protect its right to collect unpaid assessments for Common Expenses which are a charge against a Unit, and in order to recover any expenses of and advances by the Council pursuant to Sections 4 and 5 of Article XII hereof the Council may, on behalf of all the Unit Owners, purchase such Unit at judicial sale, provided such action is authorized by this affirmative vote of a majority of the members of the Council. The protection hereinabove afforded to the purchaser at judicial sale shall, as to all such unpaid assessments which became due prior to any of the hereinafter named events, be afforded to the Construction Lender and to any first mortgagee who comes into possession of a Unit:

- (a) pursuant to the remedies provided in the Construction Loan Mortgage or in any other said first mortgage; or
- (b) by deed or assignment in lieu of foreclosure. Said Construction Lender first mortgagee protection shall be afforded without any further action or approval of any nature being necessary. In any such specified event, (i) the first mortgagee shall give written notice to the Secretary or the Council of the occurrence thereof within ten (10) days of the event and (ii) the Construction Lender shall not be required to give written notice.

6. Statements of Delinquent Assessments.

In addition to the statements issuable to purchasers of Units under Section 4 or this Article VI, the Council provide a current statement of unpaid assessments for Common Expenses and for any expenses of and advances by the Council pursuant to Sections 4 and 5 of Article XII hereof in respect of a Unit, to the Unit Owner, to any person who shall have entered into a binding agreement to purchase the Unit and to the holder of any Permitted Mortgage (as defined in Section 1 or Article IX hereof) on request at reasonable intervals. In addition, any first mortgagee, upon request, is entitled to written notification from the Council of any unpaid assessments of any Unit, or of any default by a Unit Owner of any obligation under the Declaration or Code, in each case only in relation to the Unit covered by said first mortgage, which is not cured within sixty (60) days of notice of such delinquency or default to the Unit Owner.

7. Reassessment of Uncollectible Assessments.

In all cases where all or part of any assessments for Common Expenses and for any expenses of and advances by the Council pursuant to Sections 4 and 5 of Article XII hereof cannot be promptly collected from the person or entities liable therefor under this Code, the Council shall reassess the same as a Common expense, without prejudice to its rights of collection against such persons or entities.

8. Developer.

Shall not be required to pay any monthly assessment for the Common Expenses until after the transfer of title to seventy-five percent (75%) of the total number of units.

ARTICLE VII – USE AND MAINTENANCE OF THE PROPERTY

- (d) No Unit Owner shall do any work or perform any other act which would jeopardize the soundness or safety of the Property or impair any easement or hereditament without the unanimous consent of the Unit Owners affected thereby.
- (e) The drywall is a common element, but it is specifically provided that the painting, covering, care, repair, replacement and maintenance thereof shall be at the sole and exclusive cost of each unit owner into whose unit the drywall faces, but the Council shall at all times have the sole right to specify the quality, style and fire rating of all drywall in all units, and of all painting, covering, care, repair, replacement or maintenance thereof.

2. Maintenance and Repair of the Property.

The Council shall keep the Common Elements in a good state of preservation, repair and cleanliness and shall be responsible for the operation, maintenance, repair, improvement and replacement of the Common Elements and any personal property located within the Common Elements (other than personal property belonging to individual Unit Owners). Each Unit Owner, at his own cost and expense, shall keep his Unit in a good state of preservation, repair and cleanliness and shall be responsible (except for any repairs and reconstruction to be effected by the Council pursuant to Section 1 of Article III hereof) for the maintenance

and repair, whether structural or nonstructural, ordinary or extraordinary, at his expense, of his Unit and of any fixtures, equipment and personal property from time to time therein contained. Each Unit Owner shall keep all immediate entrance areas to his unit free and clear of significant accumulation of snow, ice and water. 3. Liability of Unit Owners for Damage Caused to Common Elements.

Each Unit Owner shall be liable to the Council for all damage to any of the Common Elements whether within or without his Unit, and to any fixtures or personal property contained within the Common Elements, caused by the act, omission, or negligence of said Unit Owner, his family, guests, employees, agents, lessees or licensees, to the extent not covered by the proceeds of any insurance carried by the Council.

4. Increase in Insurance Cost.

No Unit Owner shall use or permit the use of his Unit or of the Common Elements so as to cause any increase in the cost of insurance carried by the Council on the Property, and each Unit Owner shall be liable to the Council for any such increase to the extent occasioned by the use, misuse, occupancy or abandonment or his Unit.

5. Right to Access to Units; Inspections; Repairs and Costs.

The Council has a right to access to each Unit to:

- (a) inspect said Unit;
- (b) remove, correct or abate violations of the Act, the Declaration, this Code, the Rules, the laws of the State of Delaware or United States, as of any governmental subdivision thereof having jurisdiction, any rules, regulations, orders, decrees or requirements of any governmental or quasi-governmental body or agency or board of fire underwriters, or any mortgage affecting any Unit;

any other portion of the Condominium. By way of illustration, and not by way of limitation: (i) a nuisance use shall include any use that is unlawful, and any use that results in unreasonable or untimely noise or vibration, objectionable odor, pest infestation, a threat to the health or safety of persons, or an unreasonable risk of damage to property; (ii) a nuisance practice shall include any behavior, activity or omission that presents an unreasonable risk of the defined results hereinabove ascribed to a nuisance use, or results in a nuisance condition; (iii) a nuisance condition includes any condition that presents an unreasonable risk of the defined results hereinabove ascribed to a nuisance use, and, by way of further illustration, would include a defective condition (such as a leaking pipe or water appliance) within one's unit, a significant or unreasonable accumulation of garbage or refuse, flammable materials (including paper), human or animal waste or bodily fluids, caustic or explosive substances, poisons, fungus or mold; and (iv) a nuisance behavior includes dangerous, threatening, violent, obscene, lewd or obstreperous actions which a reasonable person would deem upsetting or alarming. 7. Nuisance Conditions; Council's Right to Abate:

In the event that the Council shall reasonably believe that there exists a nuisance condition as hereinabove defined, and that the condition poses such an immediate threat to human health and safety or poses such an imminent threat to property that the time required for usual Rule enforcement process of notification, hearing and appeal will expose persons and/or property to an unacceptable risk, the Council may (at its sole and absolute discretion, and without any obligation to do so or liability for not doing so) immediately take such reasonable measures as the Council deems prudent, in the Council's reasonable discretion, to abate the perceived nuisance condition, and shall bear no liability to the Unit Owner(s) or resident(s) whose unit(s) are entered or in which the measures are taken, for any direct or indirect consequences of such measures, including any alleged damage to the Unit(s) or personal property therein. The Council may, in its sole discretion, assess the cost of abatement measures against the owner(s) of the Unit(s) in which the hazard or nuisance originated or was maintained.

8. Repeated Violations:

In the event that a Unit Owner or resident repeatedly violates the Rules in this Section, and such violations appear to the Council to be willful, malicious, or beyond the demonstrated ability of the Unit Owner or resident to control (due to impairment by substance abuse, by way of illustration), and such violations materially degrade the livability of the Condominium or expose residents (including the Unit Owner or resident) and invitees to unreasonable risk of personal injury, death or significant damage to property, such that the Council believes that the non-compliant Unit Owner or resident should not continue to live at the condominium, the Council may petition the Court of Chancery for a declaratory judgment that the Unit Owner or resident is unwilling or unable to occupy his/her unit in conformity with the Rules, and a mandatory injunction barring the Unit Owner or resident from the Condominium.

9. Additions, Alterations or Improvements to Units.

No Unit Owner shall make or permit any structural change in, addition to, or alteration or improvement to his Unit, which would affect the structural integrity of the Property or of any part thereof without prior written consent of the Council, which consent shall be solely within the discretion of the Council.

If any such structural change, addition, alteration or improvement so consented to would result in rendering inaccurate the description of that Unit on the Declaration Plan, it shall not be undertaken until the Declaration Plan has been duly amended at said Unit Owner's expense. Requests for such consent shall be accompanied by detailed plans and specifications showing the proposed structural change, addition, alteration or improvement, and shall name the contractors or subcontractors to be employed. The Council

shall act upon a request for such consent within thirty (30) days after its receipt thereof, and shall be deemed to have acted favorably in cases where no response is made within said period. Any necessary governmental permits shall be a prerequisite for commencing any such work. Any application to any governmental authority for a necessary permit in connection with such proposed structural change, addition, alteration or improvement shall be made only by the Council as agent for and at the expense of such Unit Owner, without the Council incurring any liability thereunder to such authority or to any contractor, subcontractor or materialman or to any person having any claim for injury to person or damage to property arising therefrom. At all times during the course of such work the Council shall be entitled to inspect same, which inspection shall be at the cost of the requesting Unit Owner. In the event any Common Elements within or adjoining the Unit or Units are affected by such work, then the maintenance, repair and replacement of such Common Elements shall become the obligation of the said Unit Owner to the extent as if said Common Elements were part of the Unit. Each Unit Owner shall protect and indemnify the Council and the other Unit Owners against any mechanics' or materialmen's liens which may arise out of the performance of any such consented to changes, additions, alterations or improvements. In the event the Council deems it appropriate to secure expert advice in responding to any such request by a Unit Owner, the Council shall so inform the Unit Owner, whereupon, if said Unit Owner desires to pursue such request, the costs of said expert shall be paid by said Unit Owner (at such time as the Council shall fix) and the time for the Council to respond to such request shall be extended for an additional thirty (30) days. Any costs incurred by the Council based on a request of a Unit Owner pursuant to the terms of this Section 6 or Article VII, may be separately assessed against such Unit Owner as a special assessment.

In no event may any Unit Owner connect into any utility lines without the prior specific written consent of the Council. For this purpose, no consent shall be deemed to have been given by the Council in any other fashion.

10. Maintenance, Repairs, Additions, Alterations, Replacements or Improvements to Common Elements.

Except as otherwise provided in this Code and subject to the limitations of paragraph 16 of the Declaration, the Council may, pursuant to resolution duly adopted, cause to be effected any maintenance, repairs, additions, alterations, replacements or improvements to the Common Elements as it deems necessary or desirable, provided that in each case where the cost thereof is estimated by the Council to exceed Five Thousand Dollars (\$5,000.00), it shall have received the prior approval of a Majority of Unit Owners, by resolution duly adopted at any meeting of Unit Owners and further provided that so long as Declarant is entitled to nominate a majority of the members of the Council, said limit shall be Two Thousand Dollars (\$2,000.00), except that in a situation which Council or Declarant deems to be an emergency, these limits shall not apply.

11. Leases of Units.

Subject to the limitations and exemptions as set forth in paragraph 26 of the Declaration, a Unit may be rented as a whole, but not in part, from time to time by the Unit Owner thereof to any person or entity, but no transient tenants or occupants may be accommodated therein. All lessees and sub-lessees of any Unit, during their respective tenancies thereof, shall be jointly and severally liable with the Unit Owner of said Unit for all liabilities and for the performance of all obligations of the Unit Owners which may arise under the Act, the Declaration, this Code, the Rules, the deed to such Unit or any other pertinent instrument. Such liabilities or obligations may be enforced at any time during or after the term of such tenancy. The Council may, by incorporating same into the Rules, determine from time to time, the procedures by which it can enforce the privileges granted to it by paragraph 26 of the Declaration, and the types and duration of any notice periods to which any leases of Units may be entitled for failure to comply with any lease of a Unit or with the Declaration, Code of Regulations or Rules.

ARTICLE VIII – DAMAGE OR DESTRUCTION, EMINENT DOMAIN, INSURANCE AND SALE UPON PARTITION

1. Damage to or Destruction of the Buildings or Taking of All or Part of the Property.

Promptly following the happening of any event resulting in any damage to or destruction of all or part of one or more of the several buildings comprising the Property or of the Property itself, or of a permanent taking, injury or destruction of all or part of one or more of the several buildings comprising the Property, or the Property itself by the power of or a power in the nature of eminent domain or by an action or deed in lieu or condemnation the following procedure shall be complied with.

(a) The Council shall determine whether the effect thereof on the one or more of the several buildings comprising the Property or on the Property.

(1) is insubstantial, in which event the provisions of Section 2 of this Article VII shall apply, or

(2) is substantially total in which case the Council shall promptly call or cause to be called a special meeting of Unit Owners directly affected by such damage or destruction to consider the question of whether repairs or restoration should be undertaken, whether a partition should be undertaken or whether a termination should result in accordance with the provisions of this Article VII and the Declaration.

(b) If at such special meeting called pursuant to subparagraph (a) (2) above, the Unit Owners owning seventy-five percent (75%) of the Units directly affected by any such damage or destruction (excluding the Units then owned by the Council) duly resolve not to proceed with repairs and restoration, the Council shall then cause to be undertaken such partition or such termination as may have been resolved at such special meeting.

(c) In the event that at such special meeting less than seventy-five percent (75%) of the Unit Owners directly affected by such damage or destruction resolve not to proceed with repair or restoration thereof, then the Unit Owners shall conclusively be deemed to have waived the right of partition or termination, and then the Council shall, pursuant to resolution duly adopted, cause the Property (including without limitation any fixtures which were included in any affected Unit on the date of the first sale thereof by the Declarant or replacements thereof, but excluding any other fixtures thereafter installed by or for any other Unit Owner, and including any personal property of the Council, or of all Unit Owners, but excluding any furniture, furnishings or other personal property whatsoever of one or more but less than all Unit Owners) to be promptly repaired and restored. Council shall use the net proceeds of insurance or the net award or other proceeds of any such talking for such repairs or restoration, and any deficiency shall be assessed against the Unit Owners, either as a Common Expense, to all Unit Owners, or as a special assessment to specified Unit Owners, all as provided in subsection (a) (3) of Section 2 of Article VIII.

(d) In any case where the said damages to property or condemnation award or payment shall exceed Twenty-Five Thousand Dollars (\$25,000.00), and if Council shall determine that the effect of said damages is substantially total or that such effect is insubstantial but would result in an assessment against the Unit Owners for costs of repair or replacement, then Council shall notify all Unit Owners of its determination within five (5) working days after making such determination. The Unit Owners may thereupon, within five (5) days thereafter, invoke the procedures set forth in Section 2 of Article II hereof for calling a special meeting of Unit Owners, which meeting shall be held within thirty (30) days after notice of such determination by Council. No mortgagee shall have the right to determine, or to participate in the determination as to whether or not any damages to the Property shall or shall not be repaired or restored.

2. Repair and Restoration of Insubstantial Damage to or Destruction of the Building.

In the case of a determination pursuant to clause (a) (1) of Section 1 of this Article VIII, the Council shall promptly so notify all affected Unit Owners, whereupon the Council, pursuant to resolution duly adopted, and/or the Unit Owners, as the case may be, having the responsibility under Section 2 of Article VII hereof for the repair and restoration of the portions of the Property affected thereby, shall promptly effect same.

(a) In the event that any such damaged part or all of the Property is to be repaired or restored (hereinafter called "Work") then the following procedures shall apply:

- (1) The Council shall, to the best of its ability prepare the following cost estimates:
 - (i) Administrative costs of the Council in completing the adjustment for the damages and in securing the proceeds or awards, in determining the disposition thereof, in effecting such disposition (including all Insurance Trustees' fees and costs).

In the event this sum is not sufficient, after giving credit for such sums as are available, if any, in accordance with the provisions of the following sub-paragraph (5) hereof, to complete all said work, the deficiency shall be assessed as a Common Expense in accordance with the procedure established for special assessments.
- (4) The remaining proceeds and awards received on account of damage to the Units shall be available for the work on the said Units. In the event this sum is not sufficient, after giving credit for such sums as are available, if any, in accordance with the provisions of the following sub-paragraph (5) hereof, to complete all said work, the deficiency to be assessed as a special assessment against the Unit Owners of Units subject to such damages. Such special assessment shall be allocated to each said Unit and the owner thereof in the same proportion as is the costs of the work in said Unit bears to the costs of all the work in all the damaged Units.
- (5) In the event after all costs as set forth in subparagraphs (1), (i), (ii) and (iii) above have been paid or provided for, there are any remaining funds from the insurance proceeds or awards for damages to the Common Elements, such excess shall be applied to the deficiencies, if any, as may exist for the costs of the work for repairing and restoring the damaged Units. In the event, after all costs as set forth in subparagraphs (1) (i), (ii) and (v) above, there are any remaining funds from the insurance proceeds or award for damages to the Units, such excess shall be applied to the deficiencies, if any, as may exist for the costs of the work for repairing and restoring the Common Elements.

(2) there are any remaining funds from the insurance proceeds or awards to any Units or Unit Owners, such excess shall be distributed to the Unit Owners (provided that no Unit Owner shall have any priority in distribution over any rights of the Permitted Mortgagee of said Unit pursuant to the terms of said first mortgage loans). The amount to be allocated in each Unit Owner (or to the first mortgagee of said Unit having any priority in distribution) shall be in the same proportion as the costs of the work in said Unit bears to the costs of all work in all the damaged Units.

(c) In the event that an endorsement has been issued to any Permitted Mortgagee with respect to a particular Unit, such sum, if any, as may be distributable in accordance with the provisions of this Code of Regulations shall be held for the benefit of the said Unit Owner and the said first mortgagee, as their interests may appear.

3. Property Insurance.

The Council shall, to the extent obtainable, continuously maintain fire insurance with extended coverage endorsements as to such hazards and with such deductible features as to the Common Elements as the Council may deem appropriate. Said coverage shall insure against loss to the Common Elements, each Unit (including without limitation all fixtures included therein on the date of the first sale thereof by the Declarant or replacements thereof), and all personal property of the Council, and shall insure the Council, each Unit Owner, each person who has entered into a binding agreement to purchase a Unit, and the holder of each Permitted Mortgage, (as defined In Section 1 of Article IX hereof), as their respective interests may appear. Said insurance shall be in an amount equal to the full insurable value, on a replacement basis, of the Buildings, all additions, improvements or alterations thereto and of the said personal property, without deduction for depreciation, and is hereinafter called the "Replacement Value". The policies evidencing such insurance shall contain mortgagee endorsements in favor of the holder of each Permitted Mortgage, which endorsements shall be in the standard Delaware form modified, however, to make the loss payable provision in favor of such holder expressly subject and subordinate to the loss payment provisions (as herein provided in this Code) in favor of the Insurance Trustee and the Council and shall provide for the waiver by such holders of any right to settle losses with insurers. Before obtaining or renewing any policy and at least once every two (2) years, the Council shall determine the Replacement Value based on one or more appraisals from a reputable insurance company or appraiser. The said appraisal shall separately establish the replacement Value of the basic specified unit.

The Common Elements shall be insured in the amount of such appraised Replacement Value and each Unit shall be insured in the amount of the appraised Replacement Value of that type Unit. The said insurance shall be maintained in one or more blanket policies, in the total amount of the total Replacement Value so established, which policies shall specify the amount of insurance allocated to each type property. The Council shall also carry such other property insurance, as it shall from time to time deem prudent, which insurance shall be in such amounts as the Council shall deem adequate. All policies of insurance carried pursuant to this Section 3 shall provide that the net proceeds thereof in the case of each loss shall be payable to the Council, if \$100,000.00 or less, and to the Insurance Trustee, if more than \$100,000.00. All such policies shall contain waivers, to the extent obtainable, of any defense based on co-insurance or invalidity arising from any acts of those whose interests are covered thereby.

4. Disbursements of Property Insurance Proceeds, Condemnation Awards & Proceeds of Sale upon Partition. The net proceeds of all property insurance policies and the net award or other net proceeds referred to in Section 10 of this Article VIII and the net proceeds of any sale upon partition pursuant to Paragraph 17 of the Declaration, shall be distributed by the Insurance Trustee or the Council, as the case may be, as follows:

 - (c) In cases governed by Section 2 of this Article VIII, the following order and priority of distribution shall prevail, to the extent funds are available for the purpose, each category to be paid or provided for in full prior to distribution of any subsequent category.

 - (2) To pay or provide for the costs and expenses, direct and indirect, incurred by the Council in securing the proceeds or awards, in the administration of the process of repair and restoration, and in the distribution of the amounts thereof.
 - (3) in appropriate progress payments to the contractors, materialmen, engineers, architects or other persons engaged by the Council for the work and who have rendered services or furnished materials by such work, provided that where appropriate, waivers of mechanics' or materialmen's liens shall first be executed, and where possible, recorded.
 - (4) To the Unit Owners as provided in Section 2 of this Article VII and subject to limitations thereof.
 - (d) The insurance Trustee shall not be liable for the payment of premiums, for the replacement or renewal of insurance policies, for the sufficiency of the insurance coverage afforded, nor for the failure to collect insurance proceeds. Trustee shall hold the original policy or policies obtained by Council, and all endorsements thereto. All insured may inspect same during Trustee's normal business hours upon forty-eight (48) hours prior written notice to the Trustee. Trustee shall cooperate with the Council in all matters concerning the policy, provided that, insofar as practicable, Trustee shall be relieved of all duties capable of being discharged by others, and provided further that in no event shall Trustee be required to take any action on its own initiative, or at its own expense, or which may reasonably expose it to liability. Trustee shall accept instructions from and rely on information given by only the Council, including information as to the names of Unit Owners and their respective shares of any distribution; except that as to the names of mortgagees, Trustee may rely on a certificate given by an attorney-at-law which has examined the Land Records to ascertain the names of mortgagees of record within thirty (30) days prior to distribution to Unit Owners and mortgagees; and Trustee shall have absolutely no liability for the consequences or following such instructions or relying on such information or certificate, regardless of any notices given or claim made, valid or not, to the contrary. Nevertheless, in the event of any dispute regarding distribution or proceeds, which In the Trustee's sole and good faith discretion threatens it with liability, Trustee may discharge ill obligations hereunder by depositing the disputed amount with a Court of Law or Equity by means of interpleader. The Trustee shall, upon instruction of the Council to such effect, make distribution in accordance with the requirements of this Code of Regulations.

5. **Liability Insurance:**

The Council shall, to the extent obtainable, continuously maintain a comprehensive public liability (including without limitation water damage) insurance in respect to the ownership, operation or maintenance of the Property, the sidewalks abutting the Property and any personal property owned or controlled by Council, with such limits, which shall not be less than \$500,000.00 for personal injury or death as to any person and to all persons, medical payment insurance or \$1,000.00 per person and \$10,000.00 per occurrence, and \$500,000.00 for property damage for each occurrence, as the Council may determine before obtaining or renewing any policy. Said insurance shall cover the Council and each member and officer thereof, each Unit Owner, the occupants of Units, and the assistant officers, employees and agents (including any managing agent) of the Council provided, however, that such insurance shall not cover the liability of any Unit Owner for acts occurring solely within his Unit or away from the Property. Each policy evidencing such insurance shall also cover cross-liability claims of any one or more or group of insureds against any other one or more of group of insureds. As to any proceeds which might be payable to any person or entity covered by such insurance, the Council shall be the named insured in all such policies and the net proceeds thereof shall be paid to the Council, which shall distribute the same to those whose interests are covered thereby as their respective interests shall appear.

6. **General Insurance Provisions.**

All policies of insurance carried under Sections 3 and 5 of this Article VIII Shall, to the extent obtainable.

- (a) provide that all adjustments of loss shall be made only by the Council;
- (b) contain waivers by the insurers of all rights by way of subrogation to the claims or rights of anyone or more other named insureds or persons covered or benefited by such policies against any one or more other named insureds or persons so covered or benefited thereby provided, however, that the insurer may be subrogated to the rights of a mortgagee against its mortgagor arising under a Permitted Mortgage;

- (f) provide that the coverage afforded thereby shall not be affected or diminished by failure of any Unit Owner or occupant of a Unit, to comply with any contractual obligations, either direct or implied, when such failure is beyond the reasonable control of the Council and;
- (g) contain the mortgagee clause as is standard in the State of Delaware which must be endorsed to provide that any proceeds shall be payable to the Council or to the Insurance Trustee, as herein elsewhere state, which subject to the other provisions of this Article VIII, shall be for the use and

The Council shall immediately upon the receipt or any notice pursuant to subparagraph (d), mail or deliver copies thereof to each Unit Owner. Duplicate originals of all such insurance policies and renewals shall be issued by the insureds (at least ten (10) days prior to the renewal in case of each renewal) to the Council and to the Insurance Trustee. Certificates or memoranda of insurance shall be issued by the insurers to all others whose interests are covered thereby, including, without limitation, the holders of Permitted Mortgages in the case of property insurance. No Unit Owner shall do or permit any act which would void or impair the coverage afforded by said policies or which would result in an increase in the premium therefor, and each Unit Owner so doing or permitting shall be liable to the Council for the amount or any such increase.

7. Separate Insurance by Unit Owners.

The provisions of this Article VIII shall not be construed to prohibit any Unit Owner from carrying other separate insurance for his own benefit, such as, by way or illustration and not of limitation, fire insurance and extended coverage on fixtures and improvements not included in the Unit on the date of the first sale thereof by the Declarant, fire insurance and extended coverage on personal property and public liability insurance covering liabilities occurring solely within his Unit or away from the Property, which liabilities will not be covered by the insurance to be carried by the Council under Sections 3 and 5 of this Article VIII. 8. Workmen's Compensation, Fidelity and Other Insurance.

The award in such proceedings shall be payable to the Council alone and no Unit Owner nor mortgagee shall be entitled to demand or receive same except as in this Code provided.

10. Awards in Condemnation or in Lieu of Condemnation.

All notices shall be deemed to have been given when so mailed, except notices of change of address shall be deemed to have been given when received.

2. Effective Date.

This Code becomes effective when it and the Declaration and the Declaration Plan have been duly entered of record in the Office of the Recorder of Deeds in and for New Castle County, Delaware.

3. Interpretation.

The provisions of this Code shall be liberally construed in order to effectuate a uniform plan for development and operation of a condominium project as expressed in the Declaration. The headings preceding the various paragraphs of this Code are intended solely for the convenience of readers hereof and shall not be deemed relevant in the interpretation of this Code.

This Code of Regulations shall, to all reasonable extent, be deemed to be consistent with and supplementary to the provisions of the Act. Any conflict between the Declaration and this Code of Regulations shall, if not otherwise resolvable, be resolved in favor of the Declaration. The unconstitutionality, legality, invalidity or non-conformance with the Act of any provision of this Code shall not affect the remaining portions thereof which shall thereupon be deemed of continuing validity, force and effect. Any provisions of this Code of Regulations which may not be directly or indirectly provided for or permitted by the Act, but which is not specifically prohibited by the Act, or by any other statute or rule of law, shall, if not enforceable under the Act, be deemed to be a contractual undertaking and obligation, voluntarily assumed, by each and every Unit Owner, as the entirety of Unit Owners may be constituted from time to time, and such contractual undertaking and obligation shall be in consideration of the said assumption by each and every other Unit Owner, and the same may be enforced in the same manner as any other contractual undertaking and obligation. No provision in this Code shall be deemed invalid, waived, abrogated or no longer enforceable by reason of the passage of time or of any failure to enforce same, irrespective of the length of time passed or the number of failures of enforcement of one or more such provisions.

4. Noncompliance and Waiver.

Any failure or threatened failure by a Unit Owner or occupier to comply with this Code and with the Rules and with the covenants, conditions and restrictions set forth in the Declaration or in the deed to each Unit, or in the Declaration Plan, shall be grounds for an action for the recovery or damages (including the costs of the Council's taking any action necessary to correct or remedy any such failure) or for injunctive relief, or both, maintainable by any member of the Council on behalf of the Council by the Council, or in a proper case, by any aggrieved Unit Owner or by the holder of a Permitted Mortgage aggrieved by any such failure or threatened failure. The Council shall have the right to do any acts and to take any steps necessary to correct or prevent any failure or threatened failure to so comply and shall have the right by itself or by its agents or employees to enter said Unit of said Unit Owner or occupier at all reasonable times for such purposes. The expenses incurred by or on behalf of the Council in any action taken pursuant hereto or pursuant to Section 5 of Article VII, hereof, together in each case with interest at the highest legal rate of interest then permitted, shall be promptly assessed by the Council against the Unit Owner of said Unit and shall be collectible and enforceable in accordance with the provisions of Article VI hereof. No restriction, condition, obligation or provision contained in the Act, the Declaration, the Declaration Plan, this Code, the Rules or in the deed to any Unit shall be deemed to have been abrogated or waived by reason of any failure, single or repeated, to enforce the same.

5. Avoidance of Liens and Notices of Liens and Suits.

Each Unit Owner shall pay all charges, claims, taxes or assessments against his Unit for which a lien could be filed before the same shall become delinquent and prior to the time when any lien could attach, and shall, within five (5) days of receipt of notice or of actual knowledge of the attaching of any lien (other than the lien of a Permitted Mortgage) or the filing of any suit or other proceeding against his Unit, give the Council written notice thereof. The Council may, but shall not be obligated to, advance any sums necessary to prevent the attaching of any lien against any Unit, except the lien of a Permitted Mortgage, and any amounts so advanced shall bear interest at the highest legal rate of interest then permitted from the date made. Such amounts shall be promptly assessed by the Council against such Unit Owner and shall be collectible and enforceable in accordance with the provisions of Article VI hereof.

6. Parliamentary Procedure.

All meetings of the Unit Owners or of the Council shall be conducted in accordance with Roberts Rules of Order, provided, however, that such rules may be waived by the affirmative vote of seventy-five percent (75%) of those persons attending a duly constituted meeting and entitled to vote thereat.
